

Dear Sir,

I am a inmate in the Oregon State Prison, in Salem, Oregon in America the United States. I was in the library this week, and I seen one of, you all's books. Vision From within seeing what Reality is By The Professor master of Nothingness. This book will help enlighten the world. I'm a seeker of truth, and it helped me with my meditations, that I needed. Thank you and keep up, the good works and your faith.

Do you all have any old, used, or damage books that, I can get from you all, I would appreciate it very much.

Thank You
